# Mostafa Nabil Abd Elmonsef ElSayed

## Objective

Motivated and dedicated Front-End Web Designer seeking a **remote position** (Arabic or English) to utilize my two years of experience in HTML, CSS, responsive design, and teamwork to deliver high-quality projects and achieve customer satisfaction by all possible means.

Although young, I have demonstrated maturity, reliability, and a strong work ethic; I take pride in my work and consider it an honor to deliver excellent results.

Open to work in other fields as well, provided proper training is given.

## Education

Third-year secondary school student, 18 years old, passionate about programming.

## Work Experience

### Front-End Web Designer (Freelance / Remote)

Worked remotely on various web design projects using HTML, CSS, and responsive techniques.

### Online Marketing Representative

Worked as an online marketer for DXN and Al-Hababi Business, gaining initial experience in digital marketing and customer outreach.
